WE ARE THE A FIRM THAT IS TRULY
DEDICATED TO PROVIDING
ONLY THE HIGH QUALITY OF SERVICES

WE
LOVE
WHAT WE
CREATE

**WE NOT
ONLY USE
TECHNOLOGY
BUT WE LIVE
TECHNOLOGY**

Our team is made up of a different range of
programmers, graphics designers and 3D artists to
create a perfect harmony of talent. we seek to create
concepts that magnetize and attract audiences across
the globe. We are willing to work with like-minded
clients who wants to look different from the crowd.

TEAM

We believe that ideas are created by teams,
not individuals. We challenge our teams
every day to get faster and smarter and
to support and encourage each other
throughout the process because at
the end of the day, it is the
team score that matters.

AUGMENTED REALITY

Chestnut

A chestnut horse

Other names: Red, sorrel

Variants: Flaxen, Liver chestnut

Genotype

Base color: Recessive extension "e"

Modifying genes: none

Description: reddish-brown color uniform over entire body other than markings

Phenotype

Body: reddish-brown

Head and Legs: same as body, occasionally lighter

Mane and tail: flaxen to brown

Skin: Usually black, may be lighter at birth in some breeds

Eyes: Brown, eyes may be lighter at birth

The all-new Audi R8

Thrilling performance. Breathtaking handling. Redesigned from the ground up, the second generation all-new R8 has arrived. A high-revving 5.2-liter V10, lightweight Audi Space Frame® technology, and an 8-speed transmission capable of gear changes within hundredths of a second. No model bearing the four Audi rings comes closer to giving you the exhilaration of the R8 than a series production vehicle.
